INTRODUCTION

At Malco Automotive, we know you’re looking for partners that offer stability, reach and product breadth.

Founded in 1953, Malco is a third-generation, family-owned company that manufactures and markets a broad line of over 150 automotive products that includes industry-leading waxes, polishes, compounds, cleaners and buffing pads. These products offer the professional end-user a wide range of solutions to meet individual work styles, job requirements and value.

At our core, Malco strives to find creative solutions to meet the unique demands of each customer. From our highly trained R&D chemists in our on-site lab, to our proprietary production facilities, to a customer-focused sales and global distribution network, we put an emphasis on continuous improvement, quality, service and providing value. These guiding principles have remained constant.

See why Malco Automotive is “The Choice of the Pros®.”

Heavy
 Light

Produce that special look in less time with the EPIC™ Paint Correction System.

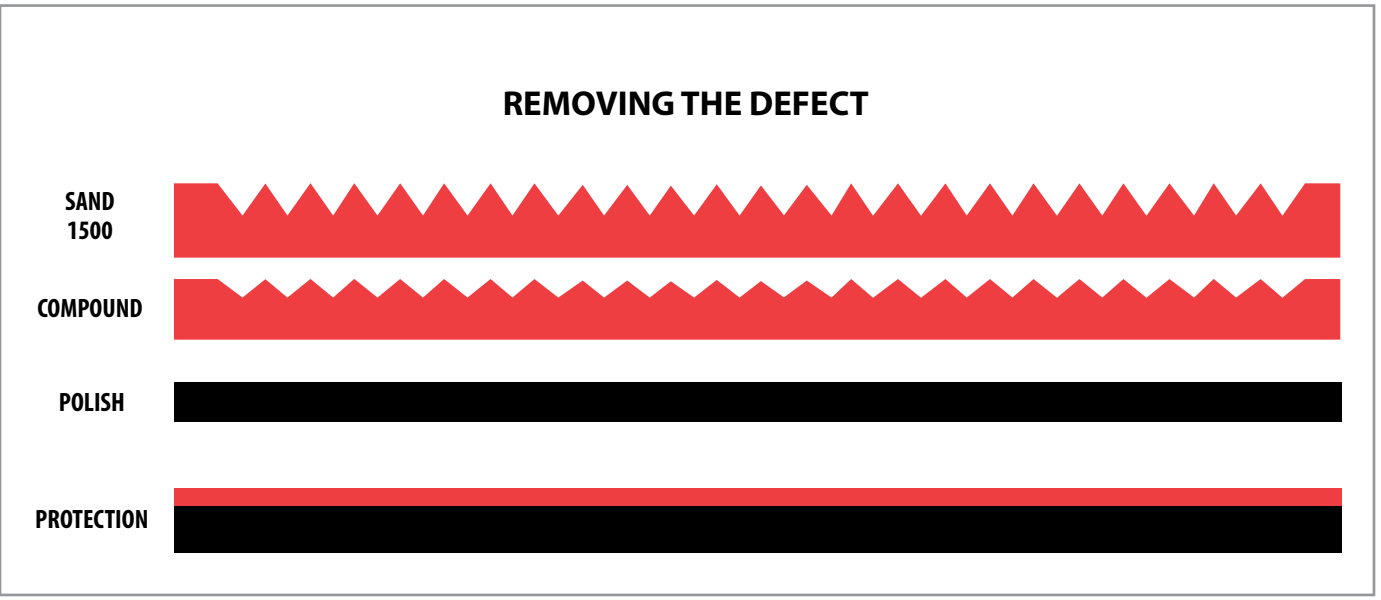

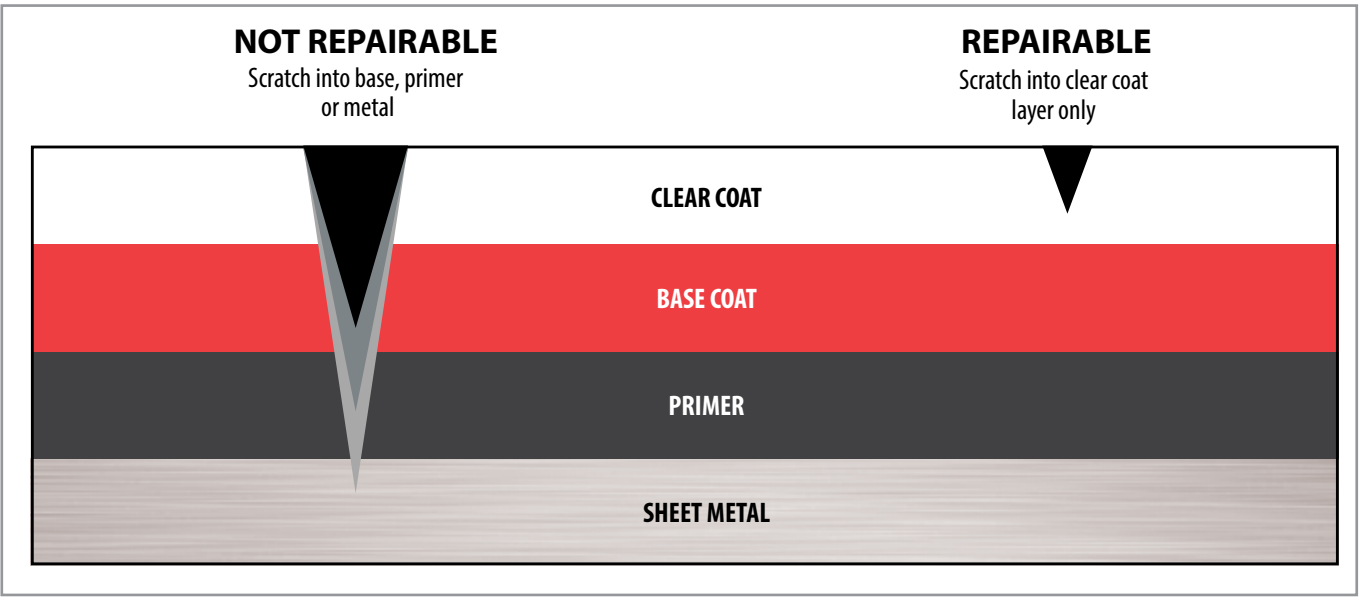

EPIC™ Heavy Duty Compound is a correcting and polishing compound that removes severe defects and heavy oxidation, as well as P1500 sand scratches, it polishes to a deep gloss in one step.

EPIC™ Medium Duty Compound is a correcting and polishing compound that should be used when typical detailing correction is needed, such as car wash scratches and oxidation, as well as P2500 and up sand scratches, it polishes to a deep gloss in one step.

EPIC™ Finishing Polish can be used for light correction including daily wear and light car wash scratches, finishing to an ultra-deep gloss. It can also be used after EPIC™ Heavy Duty or EPIC™ Medium Duty Compounds for a very deep, show-car-level gloss.

# BUFFING COMPOUNDS (ROTARY BUFFERS)

## TRU-GRIT® HEAVY-DUTY COMPOUND

Super-hard diminishing abrasives and long work time provide the broadest buffing capability. Removes heavy oxidation and up to P1500 grit and finer sand scratches from fresh and aged paint without hazing or gumming. Use with 100% white wool pad (#810051).

Size	32 fl. oz.	Part #	120032
Size	1 gal.	Part #	120001

## SUPER-DUTY™ HEAVY-CUT COMPOUND

Most aggressive and quickest cutting compound in the line. Removes oxidation and P1500 grit and finer sand scratches. Immediate cutting action of the abrasives won't overheat the surface, making it the ideal choice for marine gel coats and RV fiberglass surfaces. Use with 100% white wool pad (#810051).

Size	32 fl. oz.	Part #	127632
Size	1 gal.	Part #	127601

## BUFF LITE II™ FINISHING CRÈME

Light cutting, all-around compound. Use with a yellow wool pad (#810147) to remove P2000 grit and finer scratches (brush marks, car wash scratches, snow brush scratches) to return used vehicles to a smooth, even surface. For finer defect removal, use with a yellow foam pad (#814102).

Size	32 fl. oz.	Part #	114132
Size	1 gal.	Part #	114101

## PERFEX™ CUTTING COMPOUND

Non-diminishing abrasives provide heavy cutting on new and aged paint, especially single-stage paints. Removes up to P1500 grit and finer scratches when used with a 100% white wool pad (#810051). Use with a yellow wool pad (#810147) to remove P2000 grit scratches from fresh paint.

Size	32 fl. oz.	Part #	104032
Size	1 gal.	Part #	104001

## MAG 1™

Removes scratches and light oxidation to restore aged paint. Use with yellow wool pad (#810147) to quickly remove P2000 and finer sand scratches with little dusting.

Size	1 gal.	Part #	119801
------	--------	--------	--------

EXTERIOR  
BUFFING COMPOUNDS

## TRU-POLISH®

Removes P3000 grit sand scratches, car wash scratches, daily wear and tear, and compounding swirls. Water-based formula contains special lubricants for long work time and easy cleanup. Contains no fillers. Use with green light cut pad (#810148) or blue soft foam polishing pad (#810144).

Size	32 fl. oz.	Part #	197332
Size	1 gal.	Part #	197301

## LITE FINISH™ CLEANING POLISH

Removes swirl marks and produces deep, lustrous, long-lasting gloss when used alone or in conjunction with Tru-Grit or Perflex compounds. Use with a green light cut pad (#810148).

Size	32 fl. oz.	Part #	110132
Size	1 gal.	Part #	110101

## SWIRL REMOVER

Contains highly-refined abrasive for precision swirl removal. With no waxes, fillers or silicones, the glass-like, flawless finish you create won't wash away. Use with a blue foam pad. Works well on dark-colored vehicles. Use with blue wool polishing pad (#810168).

Size	32 fl. oz.	Part #	190232
Size	1 gal.	Part #	190201

## RESTORE IT™ CLEANER/GLAZE

Removes swirls, micro-scratches and light oxidation. It produces outstanding gloss on all surfaces, especially dark colors. Contains no scratch-filling waxes, resins or silicones for an honest, long-lasting gloss. Use with green light cut pad (#810148) or blue soft foam polishing pad (#810144).

Size	1 gal.	Part #	116601
------	--------	--------	--------

## GLAZE II™ ONE-STEP CLEANER POLISH WAX

Moderately aggressive one-step polish removes light surface imperfections. Carnauba wax and a blend of shine agents produce a deep, water-beading shine. Removes easily, even in hot weather. Ideal choice for cars, trucks, RVs and industrial finishes. Use with green light cut pad (#810148).

Size	1 gal.	Part #	110601
------	--------	--------	--------

## MAG 2™ POLISH AND GLAZE

Removes light scratches and surface defects. MAG 2 is designed to be used after MAG 1 Compound. However, on paints with only minor surface damage, it can be the starting product in the paint restoration process. Use with green light cut pad (#810148).

Size	1 gal.	Part #	119901
------	--------	--------	--------

## REJUVENATOR™

Malco's most aggressive one-step polish removes moderate scratches and swirls. Carnauba wax provides long-lasting protection and rich, deep gloss. Use with green light cut pad (#810148) for most aggressive cut, green foam (#810143) for moderate cut and blue soft foam polishing pad (#810144) for lightest cut and best finish.

Size	32 fl. oz.	Part #	111732
Size	1 gal.	Part #	111701

## AMPLIFIER™ CLEANER POLISH WAX

Removes swirl marks and light oxidation while leaving a high gloss finish with water beading for a long-lasting showroom shine. Use on automotive, marine, RV and motorcycle finishes. Mint scent. Use with green light cut pad (#810148) or blue soft foam polishing pad (#810144).

Size	32 fl. oz.	Part #	197432
Size	1 gal.	Part #	197401

## NANO CARE® POLISHING CRÈME

Specially formulated to bring a high shine, wet look to dark colored vehicles. Use with a buffer or by hand for one-step easy on and off application. Great choice for auto auctions and used car dealerships. Use with green light cut pad (#810148) or blue soft foam polishing pad (#810144).

Size	32 fl. oz.	Part #	128332
Size	1 gal.	Part #	128301

## METAL POLISH

Contains micro-abrasives to remove surface oxidation without scratching or damaging metals. Use on chrome, brass, aluminum, copper, stainless steel and other metals.

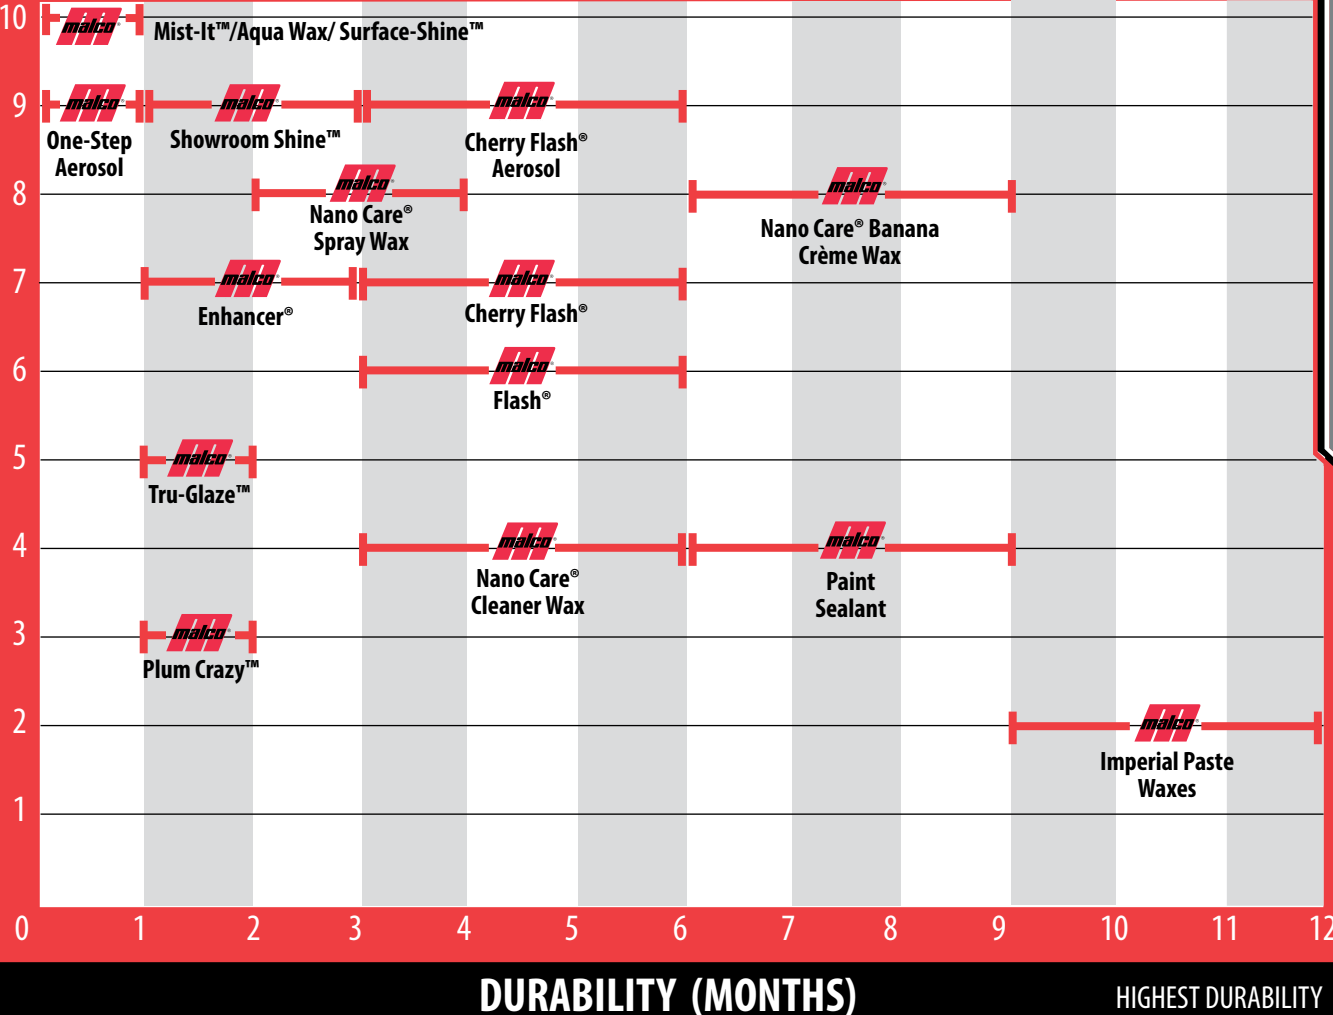

Size	16 fl. oz.	Part #	123016
------	------------	--------	--------

# WAX PERFORMANCE COMPARISON

EASIEST TO USE

EASE OF USE

## CHERRY FLASH® LIQUID PASTE WAX

Premium natural Carnauba wax delivers a deep, lasting gloss in a non-dusting version of our most popular wax. This is the VOC-Compliant version of our most-popular wax.

Size	32 fl. oz.	Part #	124832
Size	14 oz.	Part #	124820*
Size	64 fl. oz.	Part #	124864
Size	1 gal.	Part #	124801

\*Aerosol

## FLASH® LIQUID PASTE WAX

Our most popular wax with natural Carnauba in a liquefied paste wax that applies easily, dries quickly and comes off in a flash! Delivers a deep gloss.

Size	32 fl. oz.	Part #	114432
Size	64 fl. oz.	Part #	114464
Size	1 gal.	Part #	114401

# WAXES & SEALANTS

**NANO CARE® BANANA CRÈME WAX**

Unique blend of resins and silicones delivers a deep, rich gloss while dual UV inhibitors provide superior UV protection in this easy-to-use wax for automotive and marine finishes. Great banana scent.

Size	32 fl. oz.	Part #	197732
Size	1 gal.	Part #	197701

**ENHANCER® PREMIUM CREAM WAX**

Easy-to-use product applies and dries quickly, leaving a fast-wiping haze with low dust. Its unique blend of the finest Carnauba wax and other premium ingredients delivers a long-lasting shine that resists repeated washings.

Size	32 fl. oz.	Part #	120232
Size	1 gal.	Part #	120201

**PAINT SEALANT**

Unique blend of cross-linked polymers bonds with and seals the painted surface, creating an extremely durable and long-lasting protective finish.

Size	1 gal.	Part #	192701
------	--------	--------	--------

**ONE-STEP DETAIL SPRAY**

Delivers a “showroom quality” shine and durable protection in just one fast and easy step. Removes harmful contaminants, water spots, fingerprints and surface dirt. Use to remove dust and grime and repel water while adding durable protection to the finish.

**WARNING:** Cancer - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

Size	16 oz.	Part #	198316
------	--------	--------	--------

**TRU-GLAZE® BREATHABLE PAINT PROTECTION**

A breathable yet durable protective coating for freshly cured paint. Low-dusting formula goes on easily and comes off quickly, producing a deep gloss.

Size	16 fl. oz.	Part #	193516
Size	32 fl. oz.	Part #	193532

**PLUM CRAZY™ HAND GLAZE**

Removes minor scratches and swirl marks with easy-on and easy-off convenience. Produces high-gloss shine on both old and newly painted surfaces.

Size	32 fl. oz.	Part #	114732
------	------------	--------	--------

**CHERRY FLASH® AEROSOL WAX**

Premium natural Carnauba wax delivers a deep, lasting gloss in a non-dusting version of our most popular wax.

Size	14 oz.	Part #	124820
------	--------	--------	--------

**NANO CARE® SPRAY WAX**

Advanced nano technology provides exceptional shine and lasting protection on all automotive surfaces including vinyl, leather, glass, plastic and painted surfaces. Will not turn plastic white.

Size	22 fl. oz.	Part #	128022
Size	1 gal.	Part #	128001

**IMPERIAL PASTE WAX**

Premium #1 Carnauba wax delivers our most durable shine. Special anti-swirl agents make it the ideal choice for dark finishes. Provides up to 12 months of protection.

Size	14 oz.	Part #	114014
------	--------	--------	--------

**VOC COMPLIANT IMPERIAL PASTE WAX**

Long lasting VOC-compliant paste wax. Special anti-swirl agents make it the ideal choice for dark finishes. Provides up to 12 months of protection. Fresh watermelon scent.

Size	14 oz.	Part #	125214
------	--------	--------	--------

**NANO CARE® BLUEBERRY PASTE WAX**

Pure Carnauba and Nano waxes provide outstanding depth of gloss and longevity on all automotive and marine finishes. Provides up to 12 months of protection. Great blueberry scent.

Size	14 oz.	Part #	126614
------	--------	--------	--------

**NANO CARE® AQUA WAX**

Produces high-gloss shine on wet or dry painted exterior vehicle surfaces. No drying is necessary. Just spray on and wipe off. Ideal product for both new and used car dealers.

Size	1 gal.	Part #	128101
Size	5 gal.	Part #	128105

**NANO CARE® CLEANER WAX**

Restores gloss to aged and oxidized automotive and marine finishes. Nano-sized polishing agents strip away oxidation and organic contaminants while protecting with a silicone polymer wax that bonds to the surface.

Size	32 fl. oz.	Part #	128832
Size	1 gal.	Part #	128801

**MIST-IT™ SPRAY'N SHINE**

Creates wet-looking gloss on painted automotive finishes. Ideal for pre-delivery cleanups as well as a lubricant for overspray clays. Contains no wax.

Size	1 gal.	Part #	121801
Size	5 gal.	Part #	121805

**MALCO KOZAK® AUTODRYWASH™ CLOTH**

**GREAT FOR CAR SHOWS!**

Has anti-static fibers that lift loose dirt and dust away from painted surfaces. Made from fine, specially woven, 100% cotton, it polishes as it cleans leaving the finish looking smooth, clean and bright. Works best on protected finishes.

Size	3.8 sq. ft. cloth	Part #	801054
------	-------------------	--------	--------

**SHOWROOM SHINE™**

Remove dust, smudges and fingerprints while leaving a bright, glossy shine on automotive glass, metal and exterior painted finishes. Designed specifically for the “spot delivery” needs of car dealerships. Use as a lubricant for overspray clays. Cherry scent.

Size	22 fl. oz.	Part #	110422
Size	1 gal.	Part #	110401
Size	5 gal.	Part #	110405
Size	55 gal.	Part #	110455

**SURFACE SHINE™ INSTANT DETAILER**

Slick, hydrophobic, easy-to-use surface enhancer designed to remove dust, fingerprints and smudges and leave an attractive shine on any non-porous, painted surface. Use as a lubricant for overspray clays and alternatives.

Size	22 fl. oz.	Part #	192922
Size	1 gal.	Part #	192901
Size	5 gal.	Part #	192905
Size	55 gal.	Part #	192955

# CLEANERS & DEGREASERS

**PRIZM DEGREASER**

This non-caustic, aluminum safe cleaner removes medium soils from concrete floors and walls, vinyl, plastic, acrylic, Plexiglas®, carpet and upholstery. Can be diluted up to 1:7.

Size	1 gal.	Part #	190301
Size	5 gal.	Part #	190305
Size	55 gal.	Part #	190355

**D-LIMONENE BASED PRODUCT**

**LITTLE RED THUNDER**

A biodegradable, general purpose cleaner designed to remove a wide variety of soils from both hard and soft surfaces. This versatile formula is safe for use on aluminum and rinses cleanly, leaving surfaces film-free. Ready to use.

Size	22 oz.	Part #	114322
Size	55 gal.	Part #	114355

**PRIZM PURPLE GP CLEANER/DEGREASER**

This multi-purpose, phosphate free, cleaner is specially formulated to remove dirt, grease, grime and oil from multiple surfaces including plastic, vinyl, engines, tires, concrete floors and machinery. Dilute 1:7.

Size	5 gal.	Part #	192505
Size	55 gal.	Part #	192555

**PRIZM GP CLEANER DEGREASER**

Multi-purpose cleaner/degreaser removes light oils and soils from vinyl, plastic, carpet and upholstery. Will also strip waxes from automotive exteriors. Can be diluted up to 1:7.

Size	5 gal.	Part #	192405
Size	55 gal.	Part #	192455

**RED FIRE CONCENTRATED DEGREASER**

A heavy-duty caustic cleaner concentrate that can be diluted for a variety of applications. Provides deep-cleaning action for use on greasy and oily soils. Rinses off film-free.

Size	5 gal.	Part #	199205
Size	55 gal.	Part #	199255

**SC-1™ SUPER CONCENTRATED ALL-PURPOSE CLEANER**

Non-caustic, dye-free interior/exterior cleaner removes medium soils from aluminum, concrete floors and walls, vinyl, plastic, carpet, upholstery, tires and wheels. Can be diluted up to 1:20.

Size	1 gal.	Part #	121701
Size	5 gal.	Part #	121705

**D-LIMONENE BASED PRODUCT**

**BRAVO ALL-PURPOSE CLEANER**

Biodegradable and safe to use on aluminum, upholstery and paint. Rinses clean with no film. Will strip wax. Dilute 1:3.

Size	5 gal.	Part #	196005
Size	55 gal.	Part #	196055

**SPRAY CITRA CLEAN™**

Versatile d-limonene cleaner lifts and dissolves oily soils, making it the perfect cleaner for just about any washable painted surface. Great for use on headliners.

 **WARNING:** Cancer - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

Size	19 oz.	Part #	108720
------	--------	--------	--------

**D-LIMONENE BASED PRODUCT**

**AERO THUNDER™ ALL-PURPOSE CLEANER**

All-purpose, aluminum safe cleaner designed to remove a variety of soils from both hard and soft surfaces with aerosol convenience. Use on carpet, upholstery, whitewalls, engines and all painted surfaces.

Size	19 oz.	Part #	126319

### AQUA BEAD™ ADVANCED SILICON SUSPENSION DRESSING

Innovative, suspended silicone dressing activated by water. Directly deposits silicone on tires for high-gloss and durability. Can be used on wet tires. Works great on interiors. Dilutable for various levels of gloss.

Size	1 gal.	Part #	129601
Size	5 gal.	Part #	129605
Size	30 gal.	Part #	129630

### APPEAL™ SUPER-CONCENTRATED DRESSING

Premium super-concentrated dressing with highest variability of gloss ranging from semi-gloss, satiny finish to high shine dependent upon dilution level.

Size	1 gal.	Part #	118001
Size	5 gal.	Part #	118005

### E-ZEE SHINE™ PREMIUM EMULSION-STYLE DRESSING

Easy-to-use, high-gloss economical dressing. Helps prevent drying, fading, cracking, discoloration and deterioration.

Size	1 gal.	Part #	118101
Size	5 gal.	Part #	118105

### READY SHINE

A ready-to-use dressing that restores "new tire" look and dresses interiors without being overly glossy. Prevents drying, fading, hardening and cracking. Protects vinyl, rubber, leather and plastic surfaces.

Size	1 gal.	Part #	101901
Size	5 gal.	Part #	101905
Size	55 gal.	Part #	101955

# WATER-BASED DRESSINGS

### PRIZM WATER-BASED DRESSING

This water-based emulsion dressing provides an attractive satin gloss while helping to prevent drying, fading, cracking, discoloration and deterioration on interior and exterior surfaces.

Size	1 gal.	Part #	124901
Size	5 gal.	Part #	124905

### PB-2™

Ready-to-use dressing with premium durability and performance. Ideal for interior use.

Size	22 fl. oz.	Part #	104322
Size	1 gal.	Part #	104301

### BRAVO WATER BASED DRESSING

Great initial satin gloss shine. Has a durability of one week or less. RTU for tires, dilute 1:1 for interiors.

Size	5 gal.	Part #	196305
Size	55 gal.	Part #	196355

### RTU TIRE DRESSING

Produces excellent gloss on tires without yellowing whitewalls. Its special water-based formula contains no silicones or solvents. Beautifies exterior rubber and plastic surfaces.

Size	1 gal.	Part #	108501
Size	5 gal.	Part #	108505
Size	30 gal.	Part #	108530

# BODY PREP

# SYSTEM 1™ PROPORTIONER SYSTEM

## SURFACE PREP ADHESION PROMOTER AND CLEANER

**B**

Improves coating adhesion by thoroughly cleaning and microscopically etching existing coatings on repaint and blend areas. Rinses away completely, leaving surfaces ready to paint.

Size	32 fl. oz.	Part #	120132
------	------------	--------	--------

## A&L COSMOLINE REMOVER

**B**

Solvent-based transit coating remover removes cosmoline and petroleum-based coatings. Will not soften, dull or discolor finishes making it safe to use on all painted surfaces.

**WARNING: Cancer - www.P65Warnings.ca.gov**

Size	32 fl. oz.	Part #	116832
Size	1 gal.	Part #	116801
Size	5 gal.	Part #	116805
Size	55 gal.	Part #	116855

## ANNIHILATOR™

**B**

Speeds up new car prep and delivery process by quickly removing petroleum-based transit coatings and cosmoline from painted surfaces.

**WARNING: Cancer - www.P65Warnings.ca.gov**

Size	1 gal.	Part #	115101
Size	5 gal.	Part #	115105

## SUPER CITRA CLEAN™

**B**

Water-based, d-limonene cleaner strips away natural and silicone-based waxes and sealants from painted surfaces. Works well for degreasing, removing tar and cosmoline and pre-paint surface prep.

Size	1 gal.	Part #	118401
Size	5 gal.	Part #	118405

**D-LIMONENE BASED PRODUCT**

## TAR-GET® TAR, WAX AND GREASE REMOVER

**B**

Removes road oils, tar, wax, sealant, silicone and underbody compounds from both painted and unpainted automotive surfaces. Acrylic, lacquer and synthetic enamel safe.

**WARNING: Cancer - www.P65Warnings.ca.gov**

Size	1 gal.	Part #	100401
Size	5 gal.	Part #	100405

## BODYSOL™ SOLVENT CLEANER

**B**

Removes wax, grease, oil, undercoating, adhesives and overspray from car and truck exteriors.

**WARNING: Cancer - www.P65Warnings.ca.gov**

Size	1 gal.	Part #	107601
Size	5 gal.	Part #	107605

## SURFACE & PAINT CLARIFIER (S.A.P)

**B**

Removes environmental fallout and contaminants from painted surfaces, making cleanup fast and easy.

Size	1 gal.	Part #	113901
------	--------	--------	--------

## BUG-OFF™ HIGH-IMPACT INSECT REMOVER

**B**

Loosens dried bugs from windshields, hoods, bumpers and grills. Ideal as a pre-wash for vehicles with large frontal areas such as trucks, buses and RVs. Do not use on uncoated plastic.

Size	1 gal.	Part #	107801
Size	5 gal.	Part #	107805

## BUG CLEANER CONCENTRATE

**B**

Heavy-duty bug cleaner designed to get rid of stubborn bugs from cars, trucks, boats and industrial vehicles. Dilute 1:10.

Size	1 gal.	Part #	199101
Size	5 gal.	Part #	199105
Size	55 gal.	Part #	199155

## SYSTEM 1™ CLEANING CENTER

The System 1™ Cleaning Center keeps costs contained by providing highly effective, hyper-concentrated products in a usage-controlled manner. This system reduces cost per vehicle and prevents waste by properly delivering a complete line of car care chemicals.

## SYSTEM 1™ ENGINE DEGREASER

**B**

Cuts through grease, dirt and oil to leave surfaces clean and residue-free. Use on engines, wheels and whitewalls. One five-gallon carboy makes between 40 and 55 gallons of degreaser.

Size	5 gal.	Part #	115405
------	--------	--------	--------

## SYSTEM 1™ GENERAL PURPOSE CLEANER

**B**

Cleans a wide variety of interior surfaces including leather, plastic, painted surfaces, carpet and upholstery. One five-gallon carboy makes 55 to 110 gallons of general purpose cleaner.

Size	5 gal.	Part #	115605
------	--------	--------	--------

## SYSTEM 1™ SELECT SIX PLUS™ PROPORTIONER

Standard configuration provides settings for Car Wash Soap, Glass Cleaner, General Purpose Cleaner (with settings for Leather & Vinyl Cleaner and Carpet & Upholstery Cleaner) and Degreaser (with settings for Engine Degreaser and Whitewall Cleaner).

Select Six Unit	Part #	800084
-----------------	--------	--------

## SYSTEM 1™ CAR SOAP CONCENTRATE

**B**

High suds car wash lifts and removes soils while lubricating brushes and wash mitts to prevent vehicle scratching. Rinses clean and leaves surfaces film-free. One five-gallon carboy makes approximately 900 gallons of car wash.

Size	5 gal.	Part #	115705
------	--------	--------	--------

## SYSTEM 1™ GLASS CLEANER CONCENTRATE

**B**

Cuts through dirt, grease and smoke film and leaves glass, chrome and stainless steel clean and streak-free. One five-gallon carboy makes 85 gallons of ready-to-use glass cleaner. Contains ammonia.

Size	5 gal.	Part #	115505
------	--------	--------	--------

## SYSTEM 1™ DRESSING

**B**

Water-based silicone emulsion creates high gloss on interior or exterior surfaces without risk of tire sling or spotting. One five-gallon carboy makes 15 gallons of ready-to-use dressing.

Size	5 gal.	Part #	121305
------	--------	--------	--------

## SYSTEM 1™ CABINET

Sturdy steel construction holds six five-gallon carboys. Locks for added security.

Cabinet	Part #	800052
---------	--------	--------

## SYSTEM 1™ SINGLE PROPORTIONERS

Designed to add more System 1 or other products to a proportioning system. Can also be used to proportion a single product.

High flow unit (3 gal/min)	Part #	800086
Low flow unit (1 gal/min)	Part #	800085
Dressing proportioner	Part #	800104

## PINK MIST™ CONCENTRATE

Removes all soils and film from glass, chrome, stainless steel, porcelain and ceramic tile. This ammonia-free formula can be diluted for greater economy. Dilute 1:17.

Size	1 gal.	Part #	170301
Size	5 gal.	Part #	170305

## GLASS CLEANER

Ammonia-free cleaner powers away grime and film to leave glass, chrome, tile and mirrors clean and streak-free. Safe for use on aftermarket tinted windows.

Size	19 oz.	Part #	113820
------	--------	--------	--------

## FOAMING GLASS CLEANER

Clings to glass for streak-free cleaning. Special ammoniated formula cuts through haze, dirt and smoke film on glass, chrome, appliances and stainless steel. Not recommended for use on aftermarket tinted windows.

Size	19 oz.	Part #	105520
------	--------	--------	--------

## RTU GLASS CLEANER

Ammonia-free formula combines ready-to-use convenience with powerful cleaning action to strip away films, soils and oils from glass, tile, chrome, stainless steel, vinyl, plastic and rubber moldings.

Size	1 gal.	Part #	107901
Size	5 gal.	Part #	107905

## SUPER CONCENTRATED GLASS CLEANER

Ammonia-free formula provides deep down cleaning action to cut through dirt, grease, grime and oily films on automotive glass and other hard shiny surfaces with no residue. Dilute 1:13.

Size	1 gal.	Part #	198801
Size	5 gal.	Part #	198805

## GLASS CLEANER CONCENTRATE

Fast drying, easy-to-use formula dissolves road film, bugs and haze on glass, chrome and other hard glossy surfaces. Dilute 1:18.

Size	1 gal.	Part #	105501
------	--------	--------	--------

## WINDSHIELD SOLVENT CONCENTRATE

Methanol-based mixture keeps windshields clean and haze-free through the coldest weather. Can be diluted 1:2 to 1:16 depending on temperature requirements.

Size	1 gal.	Part #	106701
Size	5 gal.	Part #	106705
Size	55 gal.	Part #	106755

## WATER SPOT REMOVER

Pumice-enhanced cleaner removes hard water spots and mineral deposits from glass, chrome, stainless steel, tile and porcelain. Not for use on painted surfaces.

Size	20 fl. oz.	Part #	113420
------	------------	--------	--------

## PRODUCT USAGE

- Great for fleets, farm equipment and marine use
- Developed for heavy soils and road grime
- Can be used with hot and cold water systems

## HEAVY DUTY TRUCK WASH

Powerful powder cleaner removes heavy soils and rinses clean. Use in both hot and cold pressure washers. Safe for use on aluminum. Use 1.25 lbs. per 50 gal. of water.

Size	100 lb.	Part #	106390
------	---------	--------	--------

## PRESSURE WASH COMPOUND

Powdered formula powers through grease, dirt and grime. For use in high-pressure systems. Use 1.25 lbs. per 50 gal. of water.

Size	100 lb.	Part #	103490
------	---------	--------	--------

## CITRUS SCENT SPRAY WAX

Self-service car wash wax produces a water-beading, durable shine on all types of auto finishes. Clean lemon scent. Dilute 1:15 to 1:60.

Size	5 gal.	Part #	104605
------	--------	--------	--------

## DIRT BLASTER TRUCK WASH

Use this concentrated heavy duty cleaner by hand or with a pressure washer to remove soot, grime and oily soils. Dilute up to 1:10.

Size	5 gal.	Part #	125605
------	--------	--------	--------

## TC-303™ ACID ALUMINUM TRUCK BRIGHTENER

Removes oxidation, soot, road film, water scale and mineral deposits from aluminum and stainless steel tractor-trailers, tankers and tank cars. Dilute up to 1:20.

Size	5 gal.	Part #	113005
------	--------	--------	--------

## STAIN REMOVAL CHART

Before you get started, remove all loose soils by vacuuming the area to be treated and check colorfastness. It is important to use a white terry cloth towel to avoid dye from colored towels adding to the problem.

PROBLEMS	STAIN TYPE	RECOMMENDED PRODUCTS	WHAT TO DO
Beer, Eggs, Grass, Blood, Urine / Feces	Organic Matter, Protein-Based Stains	<b>Enzyme Cleaner</b> #1029	Spray directly onto the spot allowing it to work as needed on carpet or upholstery. For extra tough spots, dampen a white Terry Cloth Towel (#810044) with Enzyme Cleaner and lay it over the spot to keep it damp. Wipe away with a clean, dry towel.
Coffee, Wine, Juice, Kool-Aid®	All Dye & Tannin Stains	<b>Oxy™ Carpet &amp; Upholstery Cleaner</b> #1278	Spray the spot with Oxy Carpet and Upholstery Cleaner allowing a dwell time of 2-3 minutes for the product to work. Wipe the area with a clean, dry white terry cloth towel to remove the stain. You can use an upholstery brush if the stain is deeply embedded.
Lip Stick, Hand Lotion, Peanut Butter, Light Grease / Oil, Ink	Water & Oil-Based Stains, Some Dye & Tannin Stains	<b>Instant Out</b> #1264	For small to large stains, spray the stain from side to side. Wipe the area with a clean, white Terry Cloth Towel (#810044). Repeat as necessary.
Road Tar, Heavy Grease / Oil	Oil-Based Stains	<b>Annihilator™</b> #1151	Spray a white Terry Cloth Towel (#810044) with Annihilator™ and wipe the stain. It may be necessary to spray the stain directly.
Dirt, Mud (Dried), Clay	Surface Contaminants	<b>Carpet &amp; Upholstery Cleaner Concentrate</b> #1018	First, loosen or remove as much material as possible with a carpet brush or Terry Cloth Towel (#810044) and vacuum. Use Carpet & Upholstery Cleaner Concentrate (1:10) and a carpet brush to loosen and remove remaining material. Wipe the area with a clean, dry white terry cloth towel. Repeat as necessary.

### LEATHER & PLASTIC CLEANER

The classic choice for restoring like-new appearance to leather, plastic and vinyl surfaces. Its penetrating formula cleans all the way down to the pores and leaves surfaces clean and film-free.

Size	22 fl. oz.	Part #	100116
Size	1 gal.	Part #	100101
Size	5 gal.	Part #	100105
Size	55 gal.	Part #	100155

### CLEAN & SHINE FOR LEATHER, PLASTIC & VINYL

Time-saving, one-step, ready-to-use formula cleans leather, plastic and vinyl while restoring a rich, satiny gloss to the surface. Great choice for interior surfaces, especially dashboards.

Size	22 fl. oz.	Part #	125922
Size	1 gal.	Part #	125901
Size	5 gal.	Part #	125905
Size	55 gal.	Part #	125955

### LEATHER PROTECTANT

Forms a protective barrier that helps resist initial staining. It restores a satin gloss to the surface and contains a UV inhibitor. Helps prevent oil and water-based stains (including ballpoint pen ink, ketchup, wine, etc.). Allows for easy cleaning of markings that are able to form on surface.

Size	32 fl. oz.	Part #	100632
Size	1 gal.	Part #	100601

### CARPET & UPHOLSTERY CLEANER CONCENTRATE

Lifts and dissolves soils and stains for complete cleaning of synthetic and natural fiber carpet and upholstery. Can be diluted up to 1:20. Great in Tornador® at 1:20.

Size	1 gal.	Part #	101801
Size	5 gal.	Part #	101805

### CARPET PLUS FOAMING ALL FABRIC CLEANER

Designed for horizontal applications such as seat backs and headliners. Lifts dirt without harming fabrics or upholstery. Leaves no oily films that can speed re-soiling.

Size	18 oz.	Part #	110220
------	--------	--------	--------

### XTRAX™ CARPET & UPHOLSTERY CLEANER

Deep cleans all fabric and upholstery, including headliners. Special foaming formula lifts soils without leaving an oily film behind. Fresh Xtrax™ fragrance, see page 35 for the full line of Xtrax™ products.

Size	18 oz.	Part #	124720
------	--------	--------	--------

### ENZYME CLEANER

Natural bio-enzymatic cleaner with biodegradable surfactants provides highly effective cleaning and long-lasting odor control. The best choice for cleaning organic matter such as blood, vomit, urine and feces on carpets or upholstery.

Size	1 gal.	Part #	102901
------	--------	--------	--------

### LEATHER CONDITIONER

Cleans and conditions fine leather. This premium formula revives and softens aged and dried leather without leaving it greasy or slick. Great leather scent.

Size	32 fl. oz.	Part #	109932
------	------------	--------	--------

### CARPET & UPHOLSTERY CLEANER

Inverted nozzle for vertical applications such as carpeting and seat bottoms. Rich foam formula dissolves soils and stains easily and dries quickly.

WARNING: Cancer - www.P65Warnings.ca.gov			
Size	18 oz.	Part #	101720
Size	22 oz.	Part #	101716

### OXY™ CARPET & UPHOLSTERY CLEANER

Peroxide-based, oxygenated, all-purpose fabric cleaner. This powerful, ready-to-use spray-on formula quickly removes stains from coffee, wine, juice, food dyes, ink and even Kool-Aid®.

Size	1 gal.	Part #	127801
------	--------	--------	--------

### INSTANT OUT SPOT & STAIN REMOVER

Highly effective on both oil- and water-based stains. This fast-acting spotter removes tough spots and stains from carpet and upholstery without rubbing or scrubbing. Use it to remove ink, grease, oil, cola, coffee, pet stains, shoe polish and lipstick.

Size	18 oz.	Part #	126419
------	--------	--------	--------

### FABRIC PROTECTOR

Polymer-based coating bonds to individual fibers and blocks stains from both oil and water-based spills. When dry, this protective coating is odorless and colorless and does not affect carpet or fabric texture.

Size	1 gal.	Part #	195701
Size	5 gal.	Part #	195705

## MODEL 1200 XTRAX™ XTRACTOR / MODEL 600 XTRAX™ XTRACTOR

Huge 9 gal. solution tank with 1500 watt heater and 11.5 gal. recovery tank. Dual, two-stage vacuums create 150" of water lift and 100 psi of 190°F cleaning solution. Swiveling lid allows easier accessibility within vehicle.

Model 1200 Part # 800062

Large 4.5 gal. solution tank with 1500 watt heater. Single, three-stage vacuum provides 137" of water lift and 60 psi of 190°F cleaning solution. Lift-off 5-gallon recovery tank for easy emptying.

Model 600 Part # 800184

### XTRAX™ XTRACTOR MACHINES

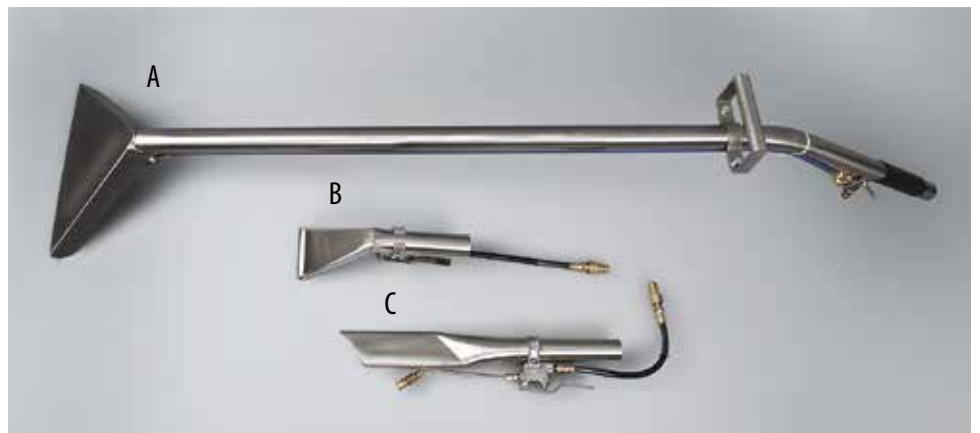

All Xtrax™ Xtractors feature:

- Durable construction
- In-tank heating provides continuous hot water
- Stainless steel solution tanks for outstanding heat retention, corrosion-resistance and durability
- Comprehensive warranty
- 15 amp, one plug operation
- Long solution and vacuum hoses (15' each) to reach all corners of every vehicle
- Stainless steel hand tool
- 25' heavy duty extension cord

## XTRAX™ XTRACTOR ACCESSORIES

- |  |        |

WARNING: Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

Size 12 oz. Part # 124620

## XTRAX™ LIQUID FABRIC CLEANER & DEODORIZER

Designed for use in hot and cold water extraction machines. This low-foam formula leaves carpet and upholstery clean, soft and fresh-smelling. Concentrated formula can be diluted up to 1:50. Great in Tornado® at 1:10.

Size	1 gal.	Part #	118701
Size	5 gal.	Part #	118705
Size	55 gal.	Part #	118755

## XTRAX™ DRY FABRIC CLEANER & DEODORIZER

Formulated with color-safe peroxide bleach to make soil, stain and odor removal fast and easy. This carpet and upholstery cleaner is compatible with both hot and cold water extraction machines. Use 1 cup per 5 gallons of water.

Size	10 lb.	Part #	118810
Size	30 lb.	Part #	118830

## XTRAX™ ODOR ELIMINATING FOGGER

Contains Ordenone™, an odor neutralizing chemical that eliminates smoke and other strong odors at their source. Can be used for total release fogging or spot spraying. Deodorizes up to 6,000 cubic feet.

Size 5 oz. Part # 124123

## XTRAX™ SCENT ODOR ELIMINATOR

Neutralizes unpleasant odors rather than simply covering them up, and leaves behind the clean, fresh Xtrax fragrance.

Size 1 gal. Part # 122101

## XTRAX™ INTERIOR CLEANER

Ready-to-use formula powers away soil and dirt from leather, plastic and vinyl with ease. Leaves surfaces clean, shiny and film-free.

Size 1 gal. Part # 124401

ODOR ELIMINATORS

ODOR ELIMINATOR FOGGERS

Contains Ordenone™, an odor neutralizing chemical that eliminates smoke and other strong odors at their source. Deodorizes up to 6,000 cubic feet. Can be used for total release fogging or spot spraying.

Xtrax™	5 oz.	Part #	124123

⚠ WARNING: Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

Size	14 oz.	Part #	110920
------	--------	--------	--------

## ACTIVE 8™ CONCENTRATE CLEANER

**B**

Solvent-free powder emulsifies dirt, grease and oil. Works in both hot and cold water. Product changes color when activated.

Size	50 lb.	Part #	100750
Size	100 lb.	Part #	100790

## SWELL SEAL® TRANSMISSION SEALER

**B**

Odorless and non-toxic formula protects seals from aging and eliminates squeals and grinding in power steering units.

Size	6 fl. oz.	Part #	101106
------	-----------	--------	--------

## SILICONE SPRAY ALL-PURPOSE LUBRICANT

**B**

Eliminate squeaking and sticking of rubber, metal painted surfaces, leather, wood, plastic and vinyl.

⚠ WARNING: Cancer - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

⚠ WARNING: Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

Size	12 oz.	Part #	102920
------	--------	--------	--------

## PENETRATING OIL

**B**

Frees rusted or "frozen" fasteners and parts, leaving behind a protective and lubricating layer.

Size	12 oz.	Part #	103919
------	--------	--------	--------

## BRAKE PARTS CLEANER

**B**

Highly effective blend of solvents designed to remove soil, oil, grease, grime and brake dust from drums, disk brakes, CV joint and metal parts. Leaves surfaces clean and film-free.

⚠ WARNING: Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

Size	14 oz.	Part #	111025
------	--------	--------	--------

## STICK TIGHT SPRAY ADHESIVE

**B**

Strong bond for adhesive carpet protection film. Becomes tacky almost instantly. Allows for repositioning in first 15 minutes.

**NEW**

Size	13.25 oz.	Part #	116037
------	-----------	--------	--------

## RUBBERIZED UNDERCOATING

**B**

Paintable, flexible formula protects underside and lower body panels from chips and scratches. Will not brown-out.

⚠ WARNING: Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

Size	16 oz.	Part #	117420
------	--------	--------	--------

## FUEL INJECTION CLEANER & TREATMENT

**B**

Keeps injectors, intake valves, ports, PCV system and fuel system clean. Reduces power loss, engine hesitation and rough idling.

Size	11 oz.	Part #	100312
------	--------	--------	--------

## TIRE MOUNTING LUBRICANT

**B**

Formulated to create a better fit between tire and rim. Contains no silicones, solvents or soap, making it safe for use on all tires, including whitewalls. Special rust inhibitor helps prevent rusting on rims.

Size	1 gal.	Part #	102401
Size	5 gal.	Part #	102405
Size	55 gal.	Part #	102455

## FAF® FUEL LINE ANTI-FREEZE

**B**

Improves fuel octane rating and helps keep fuel injectors clean. FAF® absorbs moisture and prevents freezing.

Size	12 oz.	Part #	100812
------	--------	--------	--------

## PARTS WASH COMPOUND

**B**

This non-corrosive, solvent-free and biodegradable formula removes grease, oil and other soils from engine and powertrain components. Ideal for use on steel and aluminum parts.

Size	50 lbs	Part #	118950
------	--------	--------	--------

# HEADLIGHT LENS RESTORATION

## HEADLIGHT RESTORATION KIT

Malco's professional headlight restoration process will restore faded and yellowed headlights to factory appearance quickly and easily and keep them looking new thanks to a UV curable sealant. This advanced technology will not only restore lens clarity and improve lumen output, but can add big profit dollars to a detail service, used car dealership or body shop.

## HEADLIGHT LENS RESTORATION WIPE-ON KIT

Malco's wipe-on headlight lens restoration kit will restore 20 faded and yellowed headlights to a like new appearance. Sealant is UV curable and provides maximum protection for long-lasting clarity.

### Components to restore 20 headlights:

- Malco® UV Curable Wipe-On Sealant 0.5 fl. oz. bottles, 10
- Malco Lens Drier 8 oz., 1
- 600 Grit Sand Paper, 1
- 2000 Grit Sand Paper, 1
- Plastic dipping tray, 1
- Coralite® Sponge, 1
- 1500 Grit Sand Paper, 1
- 1 1/2" roll of masking tape, 1
- Vinyl Gloves

**Multi Kit**   **Part #**   **193957**

### Single Use Wipe-on headlight Lens Restoration Kit

- 600 grit sandpaper, 2
- 2000 grit sandpaper, 1
- Headlight Lens Sealant, 1
- Tray, 1
- 1500 grit sandpaper, 1
- Headlight Lens Drier, 1
- Coralite® Sponge, 1

**Single Kit**   **Part #**   **193958**

## UV LIGHT ASSEMBLY WITH STAND

Designed to cure Headlight Sealant in 8 to 10 minutes. Sturdy tripod base adjusts from 23" to 48". Variable mounting bracket enables the light to be adjusted to the angle of the headlight. Includes a U shaped, LED bulb with 10,000 hour bulb life.

UV Lamp Assembly with Stand	Part #	890203
UV Replacement Bulb	Part #	890204

## HEADLIGHT LENS DRIER

Create a dry and dust-free lens to complete the lens preparation process and ensure proper sealant adhesion. Simply spray and wipe thoroughly with a clean, lint-free towel.

**Size**   **8 fl. oz.**   **Part #**   **193108**

## UV CURABLE WIPE-ON SEALANT

This easy-to-apply formula helps protect restored headlights against future discoloration. Cures quickly in sunlight or by UV light. 10 bottles per pack; each bottle can do two headlights.

**Size**   **10 Bottles**   **0.5 fl. oz.**   **Part #**   **193903**

# HEADLIGHT LENS RESTORATION

Carefully mask off area around headlights with masking tape.

Thoroughly clean both headlights with glass cleaner or water.

Sand the headlight lenses to a uniform appearance with P600 grit until original OEM coating is removed. During and following sanding, use water and a towel to clean the headlight and surrounding areas of all residue.

Buff the headlights with P1500 grit.

Buff the headlights with P2000 grit until you achieve a clear finish.

Apply and wipe headlights thoroughly with Malco® Headlight Lens Drier with clean, lint-free towel to make sure they are dry.

Apply Malco® Headlight Lens Sealant following the directions on the Technical Data Sheet. Allow 8 minutes for product to flatten and flash or use a heat gun on high for 1 minute.

Cure lenses in direct sunlight or with Malco UV Light. Cure time for full sun is 5 to 10 minutes.

Using the UV Light, position the UV Light approximately 2" from lens surface. Do not allow the UV light to come in direct contact with the lens. The Sealant will cure in 8-10 minutes.

The Sealant is cured when dry to the touch. Test for curing on an inconspicuous area on the lens.

## POINT-OF-SALE DISPLAY

From "How do I know if my lenses need restoration to why choose Malco"; this counter top display helps sell the professional headlight restoration process. Display Kit comes with 25 brochures.

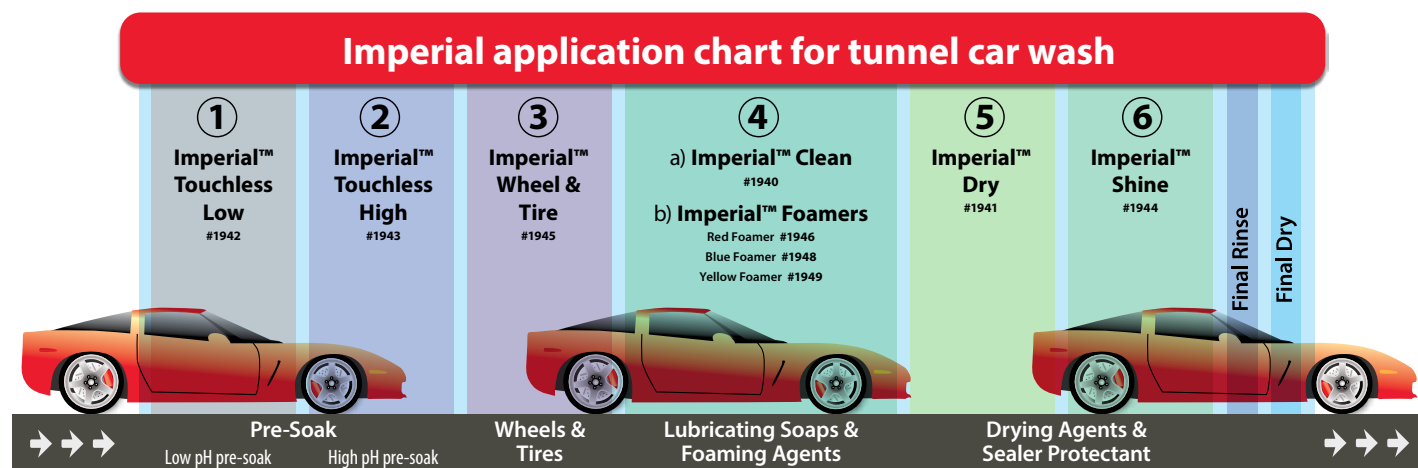

Display Kit	Part #	800552
Additional Brochures -25 pack	Part #	800551

# IMPERIAL™ CAR WASH SYSTEMS

Malco is pleased to offer a line of car wash products designed to provide today's car wash operator with the best cleaning power available at the lowest cost-per-car on the market. With just a few simple foundation products and enhancers, today's operators can offer their customers everything from basic cleaning to premium add-on services. This super-concentrated, environmentally-safe product line produces the cleanest, shiniest cars.

**① IMPERIAL™ TOUCHLESS LOW**

Formulated for use in tunnels and touch-free automatics, this high-solvent low pH presoak is safe and effective. In addition to tunnels and touch-free automatics, Imperial Touchless Low may also be used in self-serves. 1:355

Size	5 gal.	Part #	194205
Size	30 gal.	Part #	194230

**② IMPERIAL™ TOUCHLESS HIGH**

Formulated for use in tunnels and touch-free automatics, this safe and effective high-solvent alkaline presoak provides superior cleaning at high pressure. In addition to tunnels and touch-free automatics, Imperial Touchless High may also be used in self serves. 1:240

High Pressure Soap (Option 2 - Neutral)			Clean (1940) @ 1:240 (Pink tip)

**4a IMPERIAL™ CLEAN**

Multi-purpose, high-foaming, deep-cleaning lubricant detergent with a pleasant apple fragrance. It is a combination of surfactant and solvent cleaners making it the choice for cleaning organic and inorganic materials. Imperial Clean also makes a great towel soap, wall cleaner and equipment degreaser and can be used as brush bucket soap, high-pressure soap or a foam brush soap. 1:240

Size	5 gal.	Part #	194005
Size	30 gal.	Part #	194030

**4b IMPERIAL™ FOAMERS**

Formulated as a paint polish and conditioner for triple foam applications with a pleasing cherry scent and siliconized Carnauba wax. Makes an impressive show of thick, rich suds wherever a foaming product is used or if a soap application requires additional foaming characteristics. Product rinses easily. Available in red, blue and yellow colors. 1:355

Red Foamer			
Size	5 gal.	Part #	194605

## CARTS, RACKS, AND CLAYS

### THREE SHELF DETAIL SUPPLY CART

Custom designed to fit the needs of automotive detailers. The cart is super strong, molded polyethylene with 4 heavy-duty, rust resistant castor wheel. For safety, the two wheels lock. The cart accommodates up to 1 gallon size containers on each of its three shelves.

**CART (H-38", W-24", D-18.5")** Part # **810120**

### FLOOR DISPLAY RACK

Compatible with most 5-gallon containers.  
Size: 54"H x 12.3"W x 13.75"D

**B. Carboy Rack**  
(H-61.5", W-12.25", D-13.75") Part # **841004**

### POLYMER CLAY WASH MITT

Dual-action mitts work fast, achieve impressive results and are a great, hard-working alternative to clay bars. If dropped on the floor, simply rinse clean to use again.

**SIDE 1:** Scratch-free washing works great with **Ultra-Violet™ Premium Wash & Wax (#1071)** or **CW-37™ Premium Car & Truck Concentrate (#1057)**.

**SIDE 2:** Polymer coating that removes surface contaminants such as paint overspray, fresh tree sap, rail dust and more. Use with **Showroom Shine™ (#1104)**.

<b>Fine (Blue)</b>	Part #	<b>8130715</b>
<b>Medium (Yellow)</b>	Part #	<b>8130714</b>

### MALCO CLAY BARS

Removes surface impurities and contaminants. High elasticity for improved performance and durability.

<b>Light Cut Grey</b>	Part #	<b>8130707</b>
<b>Heavy Cut Purple</b>	Part #	<b>8130709</b>

### CLAY BAR CASE

Part # **810125**

### CLAY PAD

Fastest way to remove surface contaminants from entire vehicle with its innovative polymer coating. 6" pad fits all dual-action orbital polishers. Available in two grades:

<b>Fine</b>	Part #	<b>8130712</b>
<b>Medium</b>	Part #	<b>8130711</b>

## Ceramic is now EPIC!

Finally, a ceramic that's easy to apply and produces excellent results!

### The Malco® EPIC™ Ceramic Coating System:

- Industry's easiest-to-apply coating system
- Bonds with clear coat for outstanding depth of gloss
- Produces the ultimate "wet" look
- Optimum viscosity simplifies application for experts and novices alike
- Excellent hydrophobic properties allow water and dirt to slide right off

Each starter kit (# 800215) features everything needed to complete a vehicle:

- EPIC™ Prep Wash Concentrate (# 109608)
- EPIC™ Final Prep Wipe (# 109716)
- EPIC™ Ceramic Coating (# 02058)
- Applicator (# 801038)
- Suede Cloths (# 810104)
- Ultra-soft Edgeless Microfiber Towel (#800136)

Each single-use kit (# 109503) includes:

- EPIC™ Ceramic Coating (# 02058)
- Applicator (# 801038)
- Suede Cloths (# 810104)

DON'T JUST USE ANY CERAMIC COATING...  
**MAKE IT EPIC!**
