

CAR WASHES

CW-37™ Premium Car & Truck Wash

Designed for use in automatic, semi-automatic and hand car washes. This environmentally-friendly formula produces large quantities of hard working suds, making it the ideal choice for most car wash applications. Can be diluted up to 1:400.

1 gal. 105701
5 gal. 105705
55 gal. 105755

Prizm Car Wash

Get performance and value from this hard-working cleaner. It is formulated to easily remove dirt, grease and grime and leave the surface clean and film-free. Pleasant bubble gum fragrance. Dilute 1:100.

5 gal. 123205
55 gal. 123255

CARPET & UPHOLSTERY

Instant Out, Spot & Stain Remover

Highly effective on both oil and water-based stains. This fast acting spotter removes tough spots and stains from carpet without rubbing or scrubbing. Use it to remove ink, grease, oil, cola, coffee, pet stains, shoe polish and lipstick.

19 oz. 126419

Enzyme Cleaner

The newest innovation in stain removal for carpet and upholstery utilizes a patent-pending formulation technology and promicrobial action to enhance cleaning and provide long-lasting odor control. Highly effective on organic matter such as blood, vomit, urine and feces.

1 gal. 102901

Xtrax Liquid Fabric Cleaner & Deodorizer

Designed for use in hot and cold water extraction machines. This low-foam formula leaves carpet and upholstery clean, soft and fresh-smelling.

1 gal. 118701
5 gal. 118705

Carpet Plus™

Designed for horizontal application. This makes cleaning upright areas, such as seat backs, much easier. The cleaners in this aerosol do not leave behind sticky residues that can attract dirt and speed resoiling. This aerosol can also be used to clean headliners.

18 oz. 110220

DEGREASER

Red Thunder™ Degreaser

Removes a wide variety of soils from most hard and soft surfaces. This concentrated, non-caustic and aluminum-safe, all purpose degreaser works great on engines. It's also great on whitewalls, carpet and upholstery. Dilute up to 1:10.

ONE STEP

Glaze II Cleaner-Polish

Contains mild cleaners and color brighteners to produce a deep, lustrous shine with excellent water beading and detergent-resistant characteristics. Formulated for machine or hand use.

1 gal. 110601

Nano Care™ Polishing Crème

One-step polish, specially formulated for dark colored vehicles, creates deep gloss and a glass-like finish. Easy-on/easy-off application. Bring gloss back to aged, oxidized or environmentally damaged vehicle surfaces quickly and easily.

32 fl. oz. 128332
1 gal. 128301

Rejuvenator™ One-Step Paint Restoration

Specially formulated product contains premium carnauba wax for long-lasting protection and rich, deep gloss. Rejuvenator's fast acting formula and one-step convenience speed vehicle paint restoration.

32 fl. oz. 111732
1 gal. 111701

COMPOUNDS & POLISHES

Tru-Grit™ Heavy-Duty Compound

Formulated for removing 1000-grit and finer sand scratches from both fully-cured and 24-hour-old high solids and standard clears, making it the best choice for all shops. Use Tru-Grit to repair paint defects and to remove oxidation and environmental paint damage on any automotive coating.

30 fl. oz. 120032

1 gal. 120001

Buff Lite™ II Finishing Crème

Light compound designed to remove 1500-grit and finer sand scratches and leave finishes free of swirl marks. Use it with either foam or wool buffing pads to create outstanding gloss quickly and with minimum dust and haze.

30 fl. oz. 114132
1 gal. 114101

SiliconeFREE

Headlight Lens Repair Polish

Restores headlights to a like-new condition in under 5-minutes. Safely removes discoloration, light-to-medium scratches and dirt & grime. Also great for plastic, plexiglass, acrylic and boat windshields.

16 fl. oz. 128216

Swirl Remover

Designed to remove swirls from both fresh and cured paint surfaces. Because it contains no fillers, waxes or silicones, Swirl Remover produces a clean, high-gloss finish that doesn't wash away. Use with a wool finishing pad on cured paint finishes; use with a foam pad on fresh paint finishes.

32 fl. oz. 190232
1 gal. 190201

SiliconeFREE

WAXES & SPRAY WAXES

VOC Compliant Cherry Flash

This liquefied paste wax utilizes the same premium carnauba wax and DuPont Zonyl® and provides the same deep, long-lasting gloss as our regular Flash™, but in a VOC compliant formula. Features a fresh cherry scent.
