COMPOUNDS & POLISHES

All contain no fillers, waxes or silicones

TRU-GRIT®
Super hard diminishing abrasives and long work time provide the broadest buffing capability and make it Malco's most versatile compound. Removes up to 1000 grit and finer sand scratches and heavy oxidation from fresh and aged paint without hazing or gumming.

32 fl. oz. 120032 1 gal. 120001

ABRASIVE METER

LESS MORE

SUPER-DUTY

Most aggressive and quickest cutting compound in the line. Removes up to 800 grit and finer scratches and oxidation. Immediate cutting action of the abrasives won't overheat the surface, making it the ideal choice for marine gel coats and RV fiberglass surfaces. Use with 100% white wool pad for heavy scratches or Hornet shortcut pad for lighter scratches.

32 fl. oz. 127632 1 gal. 127601

TRU-POLISH™

Removes 3000 grit sand scratches, car wash scratches, daily wear and tear and compounding swirls. Water-based formula contains special lubricants for long work time and easy clean up. Contains no fillers.

32 fl. oz. 197332 1 gal. 197301

RED THUNDER™

Malco's most versatile heavy duty cleaner removes heavy soils from most hard and soft surfaces. This non-caustic, aluminum safe cleaner can be used on vinyl, plastic, carpet and upholstery as well as engines, concrete floors, tires and wheels. Will also strip waxes from automotive exteriors. Can be diluted up to 1:10.

1 gal. 102301 5 gal. 102305

POTENT PURPLE™

Caustic cleaner designed to remove heavy grease and oily dirt from engines, concrete floors and concrete walls. Dilute 1:1 to meet these heavy cleaning requirements. Can be diluted up to 1:15.

5 gal. 120305 55 gal. 120355

COMPLETE™

Acid-free formula works quickly and leaves both wheels and tires clean and bright. This RTU product contains a unique blend of cleaners that dissolve and loosen burned-on brake pad dust, grease and dirt from the entire wheel. Safe for use on virtually all types of wheels and will not damage concrete floors.

1 gal. 122901 5 gal. 122905

BUFF LITE II™

Light cutting, all-around compound. Use with a yellow wool pad to remove 2000 grit and finer scratches (brush marks, car wash scratches, snow brush scratches) to return used vehicles to a smooth, even surface. For finer defect removal, use with a yellow foam pad.

32 fl. oz. 114132 1 gal. 114101

LITE FINISH™

Moderately aggressive polish removes light surface damage or compound swirl marks. Use with yellow wool pads for heaviest cut, green wool for moderate cut or green foam for light cut. Creates deep, lustrous gloss without fillers or waxes.

32 fl. oz. 110132 1 gal. 110101

SWIRL REMOVER

Contains highly refined abrasive for precision swirl removal. With no waxes, fillers or silicones, the glass-like, flawless finish you create won't wash away. Use with a blue foam pad.

32 fl. oz. 190232 1 gal. 190201

INSTANT DETAILER

SHOWROOM SHINE™

Remove dust, smudges and fingerprints while leaving a bright, glossy shine on automotive glass, metal and exterior painted finishes. Use as a lubricant for overspray clays.

22 fl. oz. 110422 1 gal. 110401 5 gal. 110405

CAR WASH

CW-37™

Highest foaming and highest lubricity of the liquid car washes. Great for use with foaming brushes and self-serve car washes. Very highly concentrated. Dilute 1:400.

1 gal. 105701 5 gal. 105705 55 gal. 105755

PRIZM CAR WASH

High, stable foaming car wash available at a lower concentration. Dilute 1:128.

1 gal. 123201 5 gal. 123205 55 gal. 123255

BODY & PAINT PREP

A & L COSMOLINE REMOVER
Solvent-based transit coating remover removes cosmoline and petroleum-based coatings. Will not soften, dull or discolor finishes making it safe to use on all painted surfaces.

32 fl. oz. 116832 1 gal. 116801 5 gal. 116805

BODYSOL™ SOLVENT CLEANER

Removes wax, grease, oil, undercoating, adhesives and overspray from car and truck exteriors.

1 gal. 107601 5 gal. 107605

SURFACE PREP™

Improves coating adhesion by thoroughly cleaning and microscopically etching existing coatings on repaint and blend areas. Rinses away completely, leaving surfaces ready to paint.

28 fl. oz. 120132

BREATHABLE WAX

CHERRY FLASH® LIQUID PASTE WAX

Premium natural Carnauba wax and DuPont Zonyl® combine to deliver a deep, lasting gloss in a non-dusting version of our most popular wax. Provides up to 60 days of protection.

32 fl. oz. 124832 64 fl. oz. 124864 1 gal. 124801

DRESSINGS

RTU DRESSING

Produces excellent gloss on tires without yellowing whitewalls. Its special water-based formula contains no silicones or solvents, making it an ideal choice for body shops.

1 gal. 108501 5 gal. 108505

SUPER CONCENTRATED GLASS CLEANER

Ammonia-free formula provides deep down cleaning action to cut through dirt, grease, grime and oily films on automotive glass and other hard shiny surfaces with no residue. Dilute 1:13.

1 gal. 198801 5 gal. 198805

SUPER CITRA CLEAN™

Water-based, d-limonene cleaner strips away natural and silicone-based waxes and sealants from painted surfaces. Works well for degreasing, removing tar and cosmoline and pre-paint surface prep.

1 gal. 118401 5 gal. 118405

CLAY BARS

Special blend of abrasive and binders. 200 gram bars available in two levels of abrasive. Includes storage case.

Blue Fine Cut Bar
8130717
Gray Heavy Cut Bar
8130720

AUTOSCRUB™ WASH MITT

Dual-purpose wash mitt with an innovative polymer coating on one side that removes surface contaminants such as overspray, water spots, tree sap and more. Large 6" x 8.7" size

Available in two grades:
Fine 8130715
Medium 8130714

PLUM CRAZY™ HAND GLAZE

Produces high gloss shine on newly painted surfaces. Contains no silicone.

32 fl. oz. 114732

VOC COMPLIANT TIRE NU™ DRESSING

Non-silicone solvent dressing that produces a high-gloss shine on plastic, leather, vinyl and rubber. Restores faded surfaces to a like-new finish.

1 gal. 125301 5 gal. 125305

TIRE NU™ DRESSING

1 gal. 112701 5 gal. 112705

GLASS CLEANER

Ammonia-free cleaner powers away grime and film to leave glass, chrome, tile and mirrors clean and streak-free. Safe for use on aftermarket tinted windows.

19 oz. 113820
